

2024 ACADEMIC RESULTS

We are proud to have a long heritage of delivering first-class learning in a supportive, holistic and nurturing atmosphere.

With our pass rate significantly above the national average, we have bucked the trend with an increase not only compared to 2023 but also against the achievement in 2019. There were more also top grades awarded to our students than in both 2023 and 2019.

GCSE

- 26% of grades 7 - 9
- 84% of grades 4 - 9

Our Sixth Form students gaining places on university courses achieved the following strong set of scores:

A LEVEL

- 21% of grades A* - A
- 50% of grades A* - B
- 86% of grades A* - C

INTERNATIONAL BACCALAUREATE (IB)

- Average point obtained: 32 (world average 30)
- Highest score achieved: 39

This culmination of their individual commitment to academic achievement and the fantastic support of teachers has enabled them to take the next steps on their academic journey.

UNIVERSITY DESTINATIONS

Our Sixth Form leavers have been successful in securing places at universities in the UK and internationally, including 25% of students moving on to courses at Russell Group institutions.
